

RESUMPTION OF PROCESSING OF APPLICATIONS FOR MINERALS RIGHTS

Date : January 8, 2019

Freetown 7th January 2019. The Ministry of Mines and Mineral Resources and the National Minerals Agency (NMA) wish to inform the general public that after due consideration and certain measures, the suspension of the processing of application for mineral rights, which was imposed in August 2018, has been lifted, and the NMA has resumed processing of applications.

The Ministry of Mines and the NMA, therefore, encourage credible investors who wish to secure mining licences and other mineral rights to contact the NMA at New England Ville for further information.

The Ministry of Mines and Mineral Resources and the National Minerals Agency take this opportunity to assure the public of their commitment to ensure that the people of Sierra Leone derive maximum benefits from the mineral resources.
